As your diagnosed loved one gets older and becomes more independent, it's important for them to become comfortable with law enforcement and learn the expectations of police officers and rescue/medical personnel. This is one part of AIRE Time's initiative to educate Law enforcement about special needs and to educate special needs about law enforcement.

AIRE Time Foundation is a not for profit 501 c 3 that provides programs and events for kids of all abilities. We promote understanding and acceptance of all personalities & special needs.
